Commodore's Report

Hello All,

Hope everything is going as we enter the Christmas holidays. Always a great time of year!

As you know we held a Special General meeting on November 19th. We presented to the members who attended the financial snapshot and outlook. This was discussed in great detail and afterwards the \$100 increase in annual dues was passed unanimously. This is a strong statement from the membership they wish the club to succeed and be here for a very long time. Thank you to everyone who came out (a record number) and made their voice heard for this very important matter.

If you have been done to the club lately you will of noticed all the new trim around the doors and windows. It really looks great and adds a nice touch. Thank you to Tim Hudson for supplying the materials, Lisa Hudson and Louise Tyler for painting the trim, Bob Shaw for installing it and anyone else how helped in getting this completed.

Decembers holds many great events for us, please make sure you get down to enjoy them! You can access the calendar of events from the webpage or on the latest Seaweed.

I guess this will be my last report. It has been an honor and a privilege serving as your Commodore once again over the last 2 years. It has been very rewarding. I have sat with a lot of great people on the executive during my tenure and would like to thank each and every one of you for your hard work and dedication. I have nothing but great memories of the executive positions I have held over the last 9 years. Once again I thank the membership for allowing me the opportunity to serve as your Commodore.

Merry Christmas to you all and a very Happy New Year!

See you at the club or on the water,

Oscar Kristoff

Commodore
